Dear Dr. Saparudin,

We are contacting you as a professional with a significant record of achievements.

Manuscript "An Improved Embedded Zero Tree Coding Using Modified Singular Value Decomposition for Grayscale Image Compression" has been submitted to the "[International Journal of Engineering and Technologies](#)".

Editors of the Journal would like to invite you to review this manuscript. We will appreciate if you let us know whether you would be able to accept our invitation.

Thank you for your time.

Best regards,

Dr. Alexander Shchitov
